Multitasking POLVO COMPACTO SPF20

Sophisticated and innovative non-occlusive long lasting formula with newest diffractive pigments, micronized powder and SPF20 that softens and protects skin against pollution and solar radiation. Its wide color range adapts perfectly to different skin tones. Its modular coverage and its multiple finishes (matt, pearly, shimmery, tan, etc.) transforms it into a multi-functional product, perfect not only to sublimate the color, but also to provide a custom tan, define contours or reveal a pearly luminosity ... Its delicate, ultra-light texture, with sophisticated green tea fragrance, slides perfectly and subtly sets for optimum coverage and a flawless make-up all day round.

How to use: apply with a tassel or brush, with light touches on the face from the middle to the outside of the face, without forgetting the neck. To enhance strategic points of the face or to illuminate: apply in the center of the forehead, ciliary arch, cheekbones, bridge of the nose and arch of the upper lip.

Capacity: 12 gr. e 0.42 oz.
